

**NEW!**

# UltraTuff™

**The only fence built to take everything a dog can dish out!**

You count on your dog's fencing system to provide safety for your dog and peace of mind for you. That's why only Pet Stop protects our sensitive electronics with the industry's toughest, most durable case constructed with a special blend of thermoplastic. With twice the wall thickness of lesser fencing systems, Pet Stop provides superior chew resistance, protection from water, dirt and all the tortures that come with hanging around with your dog in the rough and tumble world he lives in!

Super rigid construction with 2x the wall thickness of other fencing collars!

Superior Chew Resistance

Greater Impact Protection

Greater Reliability

Greater peace of mind with power loss and wire break alarms

Ultra light 1.7 oz. collar receiver that's not only tough but comfortable for your dog too!

Owner friendly system settings and controls for easy system customization

Long-lasting lithium ion battery with low battery indicator
